

## Residential Household Battery Recycling Program

1

2

3

Place tape over these two terminals.

### Considerations

- ◆ Only one quart bag of batteries will be collected per week from a customer.
- ◆ Bags containing items other than the batteries specified will not be collected.
- ◆ Bags with rectangular-base batteries without the terminals taped will not be collected.
- ◆ Batteries will not be collected from Multi-Family or Commercial Customers.
- ◆ Liquid-Acid Batteries or car batteries will not be collected.
